Related styles: URBAN/R&B: Smooth Soul, HIP-HOP/RAP: Hip Hop People who are interested in Sade T-Pain R. Kelly should consider this download. Details: This producer/artist contains a talent to mix both Soul, Hip Hop, R&B with a twist of unique style. Coming from a musical background being related to Harvey Fuqua of the Moonglows and of Motown Records, he remains to stay underground. But what has been planted must also come up. I thrive to make music not only that people can relate to but I like to bring it home to what relates with my life as well . With the production label and the various instrumentals from Reggae to R&B you can get it all from L.E.D. Productions. With artist such as B.O.O.G.I. (Latin hip hop reggeaton artist), and Maham (song writer, Rapper) he shows his display to be versatile in his level of producing . From rapping, singing , making music, or mixing Booshank loves music and wants to do it all .
