Bluegrass with roots in folk and country. Duets and nice three part harmony over a new old sound with lots of original songwriting. mandolin, guitar, banjo, fiddle, bass. 14 MP3 Songs COUNTRY: Bluegrass, FOLK: Modern Folk Details: Copper Kettle was born from the dust that lingered after many a late night jam and long hours of woodshedding. Now we have released our first CD Coal Rabbit and I hope that we can begin to pass on some of the flame that is a part of this music. Andrew T. Hunt and I write and sing the songs on this CD helped along by Nancy Hunt's harmony vocals. This CD was recorded live in the studio with no overdubs, except we tracked the fiddle seperately. The songs really mixed themselves, without making any significant changes in levels. I wanted to record an album this way because it captures our sound with no sweetstuff except a bit of reverb. Please visit our myspace page at myspace.com/copperkettleband Hope you enjoy and we will have some reviews up soon.
