

Mp3 David Belmont/rick Silberman - Invisible Cities

[DOWNLOAD HERE](#)

an eclectic mixture of world and American rhythm music 8 MP3 Songs WORLD: World Fusion, WORLD: Asian- East Show all album songs: Invisible Cities Songs Details: An infectious program of world arrangements created with flair and humor by David Belmont and master holographer/magician Rick Silberman, a protege of Robert Moog in the late 60s. Employing the most advanced postmodern technology, David and Rick seamlessly combine rhythms from Japan, Thailand, North America and elsewhere with a wide array of guitars, vocals, and horns (even some didgeridoo!) to create an inspired blend of danceable sounds that put a smile on your face.
