

# Mp3 David Hoffman - From Energy To Stillness

[DOWNLOAD HERE](#)

If there were soul to what is called "Light Jazz" it would be represented by FROM ENERGY TO STILLNESS. This album doesn't pander, it plays well, is performed well, and is beautiful. Melody ascends uniquely and there's not a cliché anywhere. 9 MP3 Songs JAZZ: Smooth Jazz, JAZZ: Jazz Fusion  
Details: David Hoffman is a GREAT Trumpet soloist and arranger ( Currently with The Ray Charles Band.) He has performed in just about every country in the world including such venues as The Montreaux Jazz Festival, The Playboy Jazz Festival, The Tonight Show, The Fox Television Network and many many more. He has graced the cover of JAZZ PLAYER MAGAZINE and has had his arrangements played throughout the world. David Hoffman shows that Jazz as a genre is just the beginning for his unique ability to blend many musical influences.
