Details: Elnora Sumpthin' Cookin' has consistently been rated as one of Southern California's "Best Unsigned Blues Bands". Pretty cool considering we all played in different bands and Elnora found us by way of Karaoke and a Pro Blues jam! Not your typical one, four, five, they cross the spectrum playing many of the different styles spawned by this great American artform. A little Swing, Jump, Boogie, Motown, Jazz, Old School Rock and R B makes this CD one you will keep in rotation for a long time. Formed in November of 2002, They have performed at many venues From Playboy Jazz Festival and Newport Blues Festival to local clubs such as B.B. King's-Hollywood, The Blue Cafe, Cozy's, Harvelle's, Martini Blues, Stubrick's (Fullerton Mission Viejo), MaHe's, Buster's Beach House and many more. Our bandmate, friend, husband, father and musical genius "The Professor" Steve Solomon passed away last year. This CD is the only recording with this fine man's son Evan (on Baritone Sax). The Horn arrangements, Sax solo's, Piano and Hammond Organ are all Steve. WE MISS YOU! We know you'll enjoy the music and we THANK YOU for YOUR SUPPORT!
