..... "DEBOs new CD Eucalyptus Fields of Sugar Cane draws comparisons of a well produced/not drunk Guided By Voices and Versus. For what its worth DEBO is pushing the envelope with his down to earth presence and straight forward anthems. In a world of music plagued by bands so quick to jump on the idea of genres and false pretenses, this disc is a safe investment for connoisseurs of the natural progression of pop rock."

//FREE/THE/SCENE// "San Francisco-based singer/songwriter Jason DEBO and his band play straightforward, melodic pop rock driven by catchy vocal melodies. Like a lot of 90s indie bands that

played pleasant, no-frills rock, their music sounds like it wants to shake your hand and be your friend..."
