Rock\*Star - Memorable Math is a CD filled with math concepts for kids. Students remember and are more interested when they can connect what they learn at school to the outside world and that is exactly what Jeff did with this CD. Designed and written for kindergarten students this CD translates down to pre-k and up to 1st grade. You'll travel to the Fuzzy Burger for a combo meal, sort the Socks in the Dryer, become a Rock Star, and we'll bring your blanky along the way. How many uncles and aunts do you have? Jeff has a bunch and we'll count them all. Speaking of counting we'll visit with the Big Three-O and answer the questions What Comes After That? and Are We There Yet? With bouncy balls, pennies on the ground, clocks, and snacks we'll have an amazing time understanding math. That's just some of the songs you'll find on this fabulous CD and you'll also find karaoke versions so that you can customize the songs to fit the lesson of the day in your class. Have Jeff for a concert at your school, library or church. Contact [bbfuzz.com](http://bbfuzz.com). Visit Jeff at the BB Fuzz Concert Hall I Spy Museum located at 2212 Main Street, Porterdale, GA. TEACHERS: This CD is great for use with just about any math lesson for kids. Jeff is a former music teacher at East Newton Elementary located in Covington, Georgia.
