The band drew a turnout of nearly 130 each for their NYC and Boston CD Release Parties, headlining the Lion's Den, NYC and Harper's Ferry, Boston respectively. Two pre-released singles off the album debuted for two weeks as the #1 and #2 most downloaded songs by Massachusetts bands on MP3.com. Slews of online reviews have praised the new album, and the October issue of "The Noise" called the band "exceedingly talented" and said it would "recommend this album to anyone who likes to hear superb musicians play, whether it's jam band blues or pretty pop songs." (See full reviews attached). Recent and upcoming gigs include feature performances at Virgin Megastore, College of Holy Cross, N.E. Independent School Conference, Bill's Bar, Johnny D's, Trinity College, Gillette Stadium Fidelity Clubhouse, Williston Northampton School, Bitter End, and Lion's Den, NYC.
