THANK YOU FOR VISITING THIS PAGE! (Note: purchase instructions are on the bottom of the page) "SOMETHING TO HOLD ON TO" Someday Man -The dream- "Someday, I'll find a man, who'll take my hand...". The discovery- "that day along the shore, there I saw his face...". A place - "he will know when I'll go to my place by the sea". Together- "we walk along the shore, together hand in hand...". Someday... Tenderly, "I watch your eyes... lying here beneath the sky... dreams come true, for there you lie... I'll love you till the day I die"..... Misty Blue Seagulls - at the beach, the sound of waves and a few seagulls as the day begins to dawn... The beauty, the inspiration, the wonder. As the gulls rise up and fly, it's all yours today... It Was You - remembrance, celebration of a life, "the mountains were so fair, whenever you were there"..., "the people that you knew, could count a friend in you"..., "And on the day you died, so many people cried, what was there to do, but thank the stars for you...", "I remember you, and all the things you'd do, how it was so fine, how it was like wine - it was you". Something To Hold On To was written for a movie. About finding the one thing you're really good at, going there, even if it means stepping out into the unknown. It's about reaching out, finding that one thing, that something to hold on to. Remembering You is about when we have to say goodbye. "The day is coming to an end, it's time for me to leave, my friend, "but as time passes by, I'll be remembering you. And all the time we spent together, all the love we found, all the joy we built forever, we'll never loose it's sound"...I'll be remembering you..... Copyright 1981, 1983,2000,2007, Joni Johnson.
