Meditative 5 MP3 Songs NEW AGE: Meditation, NEW AGE: Healing Details: Mary Watkins is a composer and pianist with a vision. Although her training is classical, she moves fluidly and masterfully within and between the classical and jazz traditions, blending them seamlessly and incorporating other styles of music into her original works. You will hear strands of blues, gospel, folk and jazz in her compositions. At the piano, she becomes a master improvisationalist, giving a huge range of emotion, form and substance, and composing many works spontaneously. All of this has led her to write with equal skill for different media, including symphony orchestra, chamber and jazz ensembles, film, theatre and choral groups. She has written many songs. She has also made her mark as an accomplished arranger and producer of numerous albums. She currently composes, performs, teaches and conducts Music workshops in Oakland, California.
