What a fun collection of songs. From learning about metamorphosis (in a fun way) to counting in different languages, playing with bean bags and kazoos and the importance of friends, each track on this CD is not only fun but helpful. PLUS it contains the 12 MP3 Songs KIDS/FAMILY: General Children's Music, KIDS/FAMILY: Children's Pop Details: Maryann "Mar." Harman is a recording artist/music teacher from Pinellas County, FL. (Originally, shes a Jersey Girl.) She has over 19 recordings produced under the name "Music with Mar.", several of which have won national awards, including a Parents' Choice Silver Honors Award and a John Lennon Songwriters Award. She still actively teaches music from PreK through College level and at teacher conferences, integrating the brain research findings into her music and lectures. She is constantly bouncing around the country teaching teachers and singing with children. (Of course, Mr. Froggy goes with her.) Her songs use a variety of styles from Classical to Jazz/Rock to Blues. Children, teachers and parents find her songs easy and fun to listen to.
