Mp3 Orchid - The Reminder

DOWNLOAD HERE

Two totally different voices. Acoustic and melancholic songs, borned and raised in Sweden, the rest is up to you. 12 MP3 Songs in this album (40:25) ! Related styles: EASY LISTENING: Ballads, POP: Swedish Pop/Rock People who are interested in Depeche Mode Live should consider this download. Details: It started out as a couple of ideas for some acoustic songs, just for kicks. However, within time it became something that had to be. Fans started to pop out of something that did not even have a name. So in 2007, Orchid was born. Two voices, two songwriters with different musical backgrounds, playing melancholic acoustic songs combined with some electronic elements. This is for you, in the name of music...
