WORLD: Flamenco, NEW AGE: Ethnic Fusion Details: Welcome to the QB2 ART GRUP. This site has been created to let everybody know the last work of Xavi Cubedo, named "Shundari". The group QB2 ART GRUP is formed by four musicians, all of them professional that perform all styles, from Classical to Pop, from Rock and Jazz to the last musical trends. The names of the musicians are the following: Xavi Cubedo, guitar, Nuria Beltran, cello, Josep Silvestre, flute and Carlos Ronda, cajon and percussions. This last work, Shundari, is a mixture, a fusion between Jazz, Flamenco, and Classical, giving as a result a very personal and non catalogable style. The main goal of Xavi Cubedo, the author, is to draw romantic atmospheres, where the listener could create their own images and feel the most deep sensations. I expect that this new work will please you and im looking forward that you could enjoy this non comercial music, that has none of the sterotypes that you can find in nowerdays society. People who are interested in Ludwig van Beethoven Pat Metheny Astor Piazzolla should consider this download.
