Show all album songs: On My Way Songs Details: Born on January 7th, 1988, Rey, is one of the few artists that stand alone in today's modern style of music. Having the advantage of being able to fluently sing/rap in Spanish and English he has wisely put to practice his talent to a level where he might be the top platform in the near future. Rey recently turned 20 and has already finished his first production along side his brother/DJ/Producer (Ivan Music) titled, On My Way. Reynaldo Pea is the youngest of three and was born in Las Charles De Gaul, DR (Santo Domingo). At the age of 8, him and his family moved to New York where he adapted to the New York way of living in Washington Heights, Manhattan. At 10, his mother (Belkys) and father (Domingo) decided to move on to the Bronx where Rey went to High School and began his career as a music artist later on. Music was never a primary for Rey until he realized his grandfather (from mother side)/Grandmother (from father side) and his mother had given him the traits to a powerful yet mellow tone of voice. So, as fast paced as New Yorkers tend to be, Rey wasted no time in getting enrolled into a Audio Engineering course in college (after earning his diploma in High School) where he learned key techniques that helped him become more knowledgeable in terms of Music itself. With the experience gained in school, Rey managed to produce his own album his own way. Getting together with DJ Ivan perfectionized what the album needed in the instrumentation and sound quality side of production.
