Old-time country, swing and blues - a musical mixture of contemporary and traditional American roots. 13 MP3 Songs FOLK: Traditional Folk, COUNTRY: Country Blues Details: "We've been hearing tales recently about a Lansing, Michigan based folk-rockin', sweet jazz, bluegrass, old-time swingin' quartet with some serious buzz. We took one listen and were hooked, as you will be when you hear Steppin' In It at work. In the Words of Sally Van Meter, producer of their latest release -Hidden In The Lowlands- they are 'what would happen if Hank Williams joined forces with Wayne The Train Hancock and a folk band featuring Tom Waits'. Intrigued yet? Well, you will be...they accomplish the seemingly impossible task of making the most traditional sounds contemporary, blending hillbilly rackets with blues rhythms and European folk. It's like subtle musical alchemy. They may claim to just be steppin' in it, but we think they're knee deep in the future of bluegrass." -Telluride Bluegrass Festival, Telluride, CO
