

Mp3 Stratocruiser - Pop: Power Pop

[DOWNLOAD HERE](#)

Strong, impassioned vocals, layered guitars, creamy instrument tones, thick harmonies and solid, hummable melodies comprise the core Stratocruiser experience. 12 MP3 Songs POP: Power Pop, ROCK: 90's Rock Details: Featuring members of Bullwinkel Gandhi, Doleful Lions and The Gladhands, Stratocruiser have a knack for moving between different sub-genres without discernable effort, picking out the best parts and reassembling them in a new, unexpected way and most enjoyable fashion. They twist primordial guitar riffage with swirling classic keyboard sounds and walls of jangle to create a sound that is tried, tested but electrifying. Like many of the neo-retro band that now dot the landscape, they demonstrate a vast and encyclopedic knowledge of every trick in the book. Strong, impassioned vocals, layered guitars, creamy instrument tones, thick harmonies and solid, hummable melodies comprise the core Stratocruiser experience. Mixed by Robert Slege(ex-Ben Folds Five), theres plenty of 60s jangle in the vein of The Shambles, The Cobbwebbs and plenty of Byrds harmonies and jangle, too. Mix in some late 70s power pop/new wave stylings, some late 80s XTC psych and a bit of 90s thump and Strato rocks ragin full on.
