First solo recording of California Americana music from a legendary west coast songwriter. 10 MP3 Songs COUNTRY: Americana, COUNTRY: Alt-Country Show all album songs: Sunrise On The Radio Songs Details: A long awaited album from one of California's finest writers. Cyrus has written for Kate Wolf, the Cache Valley Drifters, the Phil Salazar Band, David West, and the Acousticats. He made the jump to his own outfit and the results have produced a contemporary, finely crafted ensemble of songs which include nine originals as well as the vintage Kate Wolf mantra, "Red Tailed Hawk." Clarke's newest group is initialed with a modern approach to an ever-changing suburban folk scene and features a soulful country blend of acoustic guitar, telecaster, mandolin, bass and percussion.
