A diverse pop album with a few surprises. The first track "Shabby Girl" was featured on ONE TREE HILL and the movie DRIVE ME CRAZY starring Melissa Joan Hart. Listen for the Penna Dutch concept album banter in between songs. 13 MP3 Songs ROCK: Folk Rock, POP: Power Pop Details: The Electric Farm takes soft pop into a folky space rock situation. Follow a trail that traverses the likes of Nick Drake, Ray Davies, Neil Young via Bright Eyes and Elliott Smith...and you'll get a sense of the irresistible sound of The Electric Farm. ONE TREE HILL featured the song "Shabby Girl" during Season One (Episode #108)...following its inclusion in the 20th Century Fox movie DRIVE ME CRAZY starring Melissa Joan Hart. Their song "Man of the Town" was selected from over 600 songs to appear on the Philadelphia Phast Pholks CD compilation from FAST FOLK Magazine, a New York-based talent antenna who were the first to record music notables like Suzanne Vega, Shawn Colvin, and John Gorka. Peter Buck of REM played mandolin on early demos recorded by the band at John Keane's studio in Athens, Georgia. Other musicians who recorded with Keane include REM, Vic Chestnutt, Cowboy Junkies, Indigo Girls to name a few. THE ELECTRIC FARM is the band's self-titled recent disk (released 2005). Their two previous releases include BOOMSCHLANG VIPER STORY (1997) and the EP SIX (1995).
