Home-spun, funky, folky granola-rock. 14 MP3 Songs FOLK: Folk Pop, ROCK: Folk Rock Details: Check out this singer-songwriter from New England. On "Breakfast," Tom taps into the deep pool of Berkshire-region talent and brings dozens of area musicians on to back him on 16 original songs. The tunes are folky, bluesy americana...somewhere between Lyle Lovett, John Hiatt, and James Taylor. Lyrically the album is rich with humor, insight, and emotion. Musically, plenty of guitars, bass and drums, then come fiddle, pedal steel, sax, piano, even steel drum... Something for everybody. "Lovemobile" (Track 13) was featured on NPR's "Car Talk" on March 20th, 2004. "...among the fastest selling local artists I've seen!"--John Conlin, owner, Tune Street, Great Barrington, MA.
