An amazing CD and DVD set, starring the "girls" from London's infamous Trannyshack, remaking Hi NRG and Pop classics. 15 MP3 Songs POP: Euro-Pop Details: This is a really fun album, for anybody who likes the classic HiNRG sound of the 80's and 90's or those who love girls with that little bit extra!! Yep! This album and DVD set is full of the most amazing Transexual Artists from Londons famous "Trannyshack" nightclub. From Cover versions of Madonna, Fancy, Pet Shop Boys to brand new outrageous songs written specially for the album this album is full of high octane dance music....and theres more. Many of the artistes are featured in full length video clips (plus two bonus tracks) on the DVD, so you can see just how gorgeous Lady Lloyd is, or wonder at Barbara Bush as her bush burns!! This album is not for the faint-hearted and contains some rude words, so dont buy it for your granny...unless shes a tranny! So join Londons scene queen "Dusty O" and her "girl"friends Sara Lee, Glendora, Lady Imelda and Sahara on this trip into Londons most outrageous club event.
