The 2nd release from Australia's most promising songwriting and production duo. A fresh take on soft Adult Contemporary. 11 MP3 Songs POP: 70's Pop, EASY LISTENING: Adult contemporary Details: 2006's eponymous release was essentially a collection of demonstration recordings, however the listening public's favourable response to these songs meant that Liew and Williams were forced to re-evaluate their musical goals. "'Inseparable' has struck a moment with an ever growing audience", Williams recently stated, "and this has been a pleasant surprise. Structurally, the song stands on its feet, however I never expected our production of 'Inseparable' to touch so many people in so many different ways." With this in mind, Liew and Williams spent the whole of 2007 writing a follow-up release. "We felt no pressure to rush-release a follow-up CD", says Williams, "I was keen to experiment with vocal harmonies and to raise the bar in terms of production standards. Rather than releasing stock, as we hate repeating ourselves, these new songs reflect a wider variety of social issues. 'SW Songs and Publishing II' is the best thing that we have done." 'It Only Means I Love You' is a worthy successor to 2006's 'Inseparable', and looks set to become a romantic ballad standard. 'The Angel Within' discusses the elements of what makes a woman successful in today's society; with its soaring chorus the song will be an inspiration for females of this generation and beyond. This being said, Liew and Williams haven't forgotten as to which side their bread is buttered. "We are writers first and foremost", says Liew. "Our place is in the studio. We are keen for artists to continue to interpret our compositions. Music is art; it is never finished, nor right or wrong. Other artists' arrangements of our songs is our continued inspiration".
