An absorbing account of Allied secret operations and political intrigue in wartime Thailand. This 2005 book is an absorbing account of secret operations and political intrigue in wartime Thailand. During World War II Free Thai organisations co-operated with Allied intelligence agencies in an effort to rescue their nation from the consequences of its 1941 alliance with Japan. They largely succeeded despite internal differences and the conflicting interests and policies of their would-be-allies, China, Great Britain and the United States. London's determination to punish Thailand placed the British Special Operations Executive (SOE) at a serious disadvantage in its rivalry with the American Office of Strategic Services (OSS). The US State Department, in contrast, strongly supported OSS operations in Thailand, viewing them as a vehicle for promoting American political and economic influence in mainland Southeast Asia.

Declassification of the records of the OSS and the SOE permits full revelation of this complex story of heroic action and political intrigue. EAN/ISBN : 9780511079504 Publisher(s): Cambridge University Press
