Willa North couldn't forget her first love--or what really happened to tear them apart. All she wants now is to hold on to her home, provide for her daughter and not get hurt again. Now Penn Ramsey's back in town, and a sudden storm throws them together in the isolated farmhouse that they both claim to have inherited. While the storm rages, more danger lurks outside in a series of suspicious--and deadly--accidents. They're forced to band together to keep themselves and Willa's daughter alive. But how can they fight the mysterious threat--and reignite the heat that blazes between them--if they can't let go of the pain of the past?
