

## Joy Of Addition - Royalty Free Mellow Chill Music

[DOWNLOAD HERE](#)

"Joy of Addition" offers space and emptiness. Use this in your video and web productions to convey a sense of loss or melancholy. A minimal bass guitar and drum groove won't crowd the mix with too much. The goal of Solus Music Royalty Free Music is to provide original music for websites, games, video, and radio productions. GENERAL TERMS The mechanical, synchronization, and performance rights granted to the LICENSEE within the AGREEMENT include (1) right to re-record, duplicate and release the REPRESENTED TRACKS as part of a production in whatever medium(s) necessary (i.e. video tape, film, CD-ROM, DVD). If the music is used in software such as a video game application or other software product, the music must be "embedded" so that the end user of the software or video game is unable to extract or use the music on its own; (2) right to use the music as a soundtrack "synced" with visual images as part of a production; and (3) right to use the music as part of the public viewing or broadcast of a production (including but not limited to TV shows, videos, DVDs, Web Sites, podcasts, multimedia presentations, and films). RIGHTS NOT INCLUDED IN THIS AGREEMENT The rights granted to the LICENSEE do not permit the LICENSEE to (1) claim ownership or authorship of the music represented

under this AGREEMENT; (2) transfer, share or sub-lease this license agreement with any other party; (3) copy or duplicate the REPRESENTED TRACKS except for use in the LICENSEE'S productions; (4) permit any other individual or third party the right to use the REPRESENTED TRACKS in place of the LICENSEE; (5) resell, trade, or exploit for profit the REPRESENTED TRACKS contained herein outright or as part of other music and/or audio-related collections, in part or in whole, to any other individual or party (although the music can be sold as part of the production, which is a clear and distinct product from REPRESENTED TRACKS themselves.) The LICENSOR maintains all intellectual property rights with regard to the marketing and sales of all tracks and any infringement thereof is punishable by law.
