

Mario Bros Arcade Game

[DOWNLOAD HERE](#)

Mario Online is a game in which you control a moustached plumber with a glorious name, Mario. This time neither evil Bowser nor his companion, wizard Kamek, are plotting some vile plan. It is, with a litMario, all alone, who makes a time tournament, he took a bet with his brother, Luigi, that he can crush the Bowser's army. The help of weaponry made by Toad, an engineer who worked as a shopkeeper in Mario Forever Galaxy. In this freeware game you will face Bowser's army, equipped with usual Fireballs, obliterated Shotgun firing blue fireballs, magic beetroots known from Mario Forever, hammers from Super Mario Bros 3 and some innovative weapons, like exploding spikey balls or springboards which you can place anywhere on the stage, even on enemy spawn points to make their lives more miserable. Your objective is to get as much points as possible and kill enemies as quickly as you can to get combos. You can also upload your score to the online hiscore database and fight for the first place.
