Benigno in his younger days was the lead singer in a salsa band so music was always a large influence of Alkatrazs life..At the age of twelve his father by the request of Alkatraz enrolled him into guitar lessons for a year. He then continued to study guitar on his own under the influence of guitar legends like: Eric Clapton / Jimmy Hendrix / Robert Cry / Carlos Santana / Randy Rhoads / Bob Marley. Having a wide range of music he then furthered his talents with rock bands such as Guns and Roses / Metallica and the ever so great Motley Crew. Around the same time he was also very much interested in hip hop. listening to the The Beastie Boys / Ice-T / Public Enemy / NWA / Ice Cube / Run DMC among others. Due to the broad seleccion of music styles he listened and played to, you can hear all these influences in his music today.
