Gruff vocals swimming through waves of rich, rough, Rap/Rock instrumentals. Introspective, spiritual, political. Dark, yet surprisingly inspirational. 9 MP3 Songs HIP HOP/RAP: Alternative Hip Hop, ROCK: Progressive Rock Details: Billy Joe spits a time-traveling social and spiritual commentary like sauce over an urban musical assault. His self-produced tracks sync hard-core, syncopated, military beats with blind melodies and caustic messages aimed at mainstream whatever. Dark, heavy, hybrid sounds sit solid under gruff vocals. Zack de la Rocha (Rage Against the Machine), DMX, Exhibit, Mystical, Wu Tang and the like have all spawned similar sounds, but Billy Joe's brand of unabashed expression is unique.
