Latin funk surf-cumbia reggae calypso-son with a cephalopod theme for booty-shaking and smashing down the global capitalism that oppresses us all. 11 MP3 Songs LATIN: General, WORLD: Reggae

Details: Carne Cruda is a Latin and Caribbean dance band from the San Francisco Bay Area, specializing in rocking down global capitalism by playing booty-shaking grooves to move your feet to. Leaving few Caribbean ports unplundered, Carne Cruda establishes itself as a purveyor of fine Latin and Caribbean dance music, fusing a variety of influences into one hard-hitting booty-shaking sound. The album features everything from rocking surf-cumbia, swinging-soca, reggae-son and guajira-boogaloo to free-jazz and beyond, taking you deep into the depths of the sea and spitting you back out into a more just world. Keep your eyes peeled, Spicy Sea Adventures will be upon you before you know what hit you.
