Timeless music with a noticeable "classic rock" feel 10 MP3 Songs ROCK: Modern Rock, POP: 90's Pop
Details: Critical Design is rock music for all ages. The Great Falls, Montana based group formed in 2003 as a cover band, but this was to be short-lived. The combined years of playing experience soon gave way to the writing and recording of their own music. With the backing and support of their independent label, Byrd Records, the group created 10 songs with a noticeable "classic rock" feel, featured on their debut album: "One Track Mind" Critical Design consists of: Perry Snipes - Lead Vocals and Rhythm Guitar Roman Jaye - Lead Guitar and Backup Vocals Joel Hill - Percussion and Backup Vocals Paul Boucher - Bass Guitar and Backup Vocals The band wants to THANK YOU for stopping by this site and taking a listen to our songs! Please email us your comments. We dedicate this to our fans and the ones we'll meet down the road!!!
