Easy Listening Traditional Country 12 MP3 Songs EASY LISTENING: Crooners/Vocals, COUNTRY: Traditional Country Details: This CD is the first musical endeavor I have done since 1993. Also in 1993, I had a #1 record on the independent charts in Europe called "I search the Years". It stayed #1 for three months. I've also had several records that have done well in different regions of the country. I have appeared on the Louisiana Hayride where Hank Williams, Johnny Horton, and Elvis Presley also have appeared. I've been on many stage shows with people like Tom Pall and the Glaser brothers, Mel Tillis, Little Jimmy Dickens, Ernie Ashworth, and Warner Mack to name a few. I've also appeared in many night clubs as well as family oriented shows, also on local TV shows as well as the Ralph Emery show.
