

Mp3 Freddie Brown & Night Crow - Country: Modern Country

[DOWNLOAD HERE](#)

Southern Rock Party Music plus Country at it's best. 10 MP3 Songs COUNTRY: Modern Country, COUNTRY: Bluegrass Details: After Freddie graduated from Goldthwaite High School he moved to Austin,Tx. There he performed in some of those Austin night clubs on Guadalupe St. across from the University of Texas. He was a favorite of some of the U.T. students. There he perfected his craft then decided to move to Los Angelos, Ca. to further his music career. He then performed in talent shows at JR'S, THE DJ RANCH, the famous Palomino, and many other L.A. night clubs. He also was a regular on Paul Bowman's Radio Show in San Pedro for many months. Freddie won many of the talent shows there in L.A. He was always happy to win the boots, cowboy hats, prize money, and what ever else that the win would give him. After doing this music circuit for many years, Freddie decided it was time to move to Nashville, Tn. He presently precides there in Nashville and he and his band "Night Crow" perform in and around there. He with his own production company record on his new record label "Wheatfield Records".
