Elektrik, Eclectik, Dyslexik hard trance dance breaks with a feminine lick. Fresh is still breakin' the barriers of genre with her original new hoppin' CD Girlz2Men. 15 MP3 Songs ELECTRONIC: House, POP: with Electronic Production Details: "You go girl!" has been said many times to Fresh Nelly while her triple F (freaky-fun-fantastic!hehe) tracks blurted over the SonicRaider internet radio stream Saturday nights. "That great bunch in the chat has always been my inspiration to write cooler, better, and harder tracks!" Fresh says, "and also an influence in the style and genre of my music in general" Slap on the headphones, volume up, and do whatever it is you do with a glow on! The CD has a flow to it, as did "menageAtrois", but has a wide range of electro styles with stuttering vocals and beautiful synths both vintage and virtual. I hope you like like it! Acknowledgements: -Fevertech for the mega-inspiration! -Nrapp and Bye for the gr8 vocals in "She is on!" -Gena for the fun harmonica rendition in violint -The whole crew at Sonicraider for making me come home early to be in the chat (thus keeping me out of trouble!) -Everyone who bought my last CD! \$\$\$ This CD is "occasionally" in the featured \$5 special section of CD Baby, go check it out! \$\$\$ *** Fresh Nelly's Girlz2Men and MenageAtrois CD have been accepted to the french label Virtualabel (virtualabel.com) if you are in Europe! Les 2 CDs Fresh Nelly Girlz2Men et menageAtrois sont maintenant disponible a virtualabel.com. Allez-y voir!
