Raised on the banks of a prairie river in southwest Manitoba, Glenn Sutter uses thoughtful lyrics and moving melodies to tell stories and express ideas about nature, love, and the human condition. For many years, he has been writing and performing on the sidelines, supporting and collaborating with other Canadian folk, roots, and blues artists in Winnipeg, Ottawa, and Regina, his current home. Now, a versatile musician and seasoned lyricist, he is stepping into the spotlight to share a growing catalogue of songs inspired by human experience, the importance of friends and family, and the troubled state of our world. "All You Need" is his first full-length album.
