SPOKEN WORD: Audiobook, SPOKEN WORD: Comedy Details: "He's the anti-Christ to Tony Robbins" - L.A. Weekly "Jack Freeman is the Michealangelo of Mercenary the Truffault of the Transaction" - Bob Odenkirk, Writer/Producer "The Business of Living", a satirical look at the Success/Motivational Industry, was conceived by writer/comedian Drew Hastings and presented as a One Man show in Los Angeles in 1999. A cult following kept the show and it's character, Jack Freeman alive and excerpts from the show were heard by Producers at the Nationally syndicated radio show, "The Bob and Tom Show", where demand for Jack's "alternative" success tips and advice grew exponentially. Drew presents - or springs on the audience - the Jack Freeman character often in his standup comedy shows in theatres throughtout the U.S. . This particular CD is rare, in that it's one of the few times Drew has presented Jack Freeman on any media - period. This CD is in a "audio Talking book" format - perfect to listen to you as you drive - and hopefully not wreck at his unorthodox views of Success. A mockumentary, short film of Jack Freeman is do to be released in 2007. This CD is a must-have!
