Jazz I.N.C. plays big band gospel in styles from swing to funk to New Orleans with high energy devotion. 10 MP3 Songs JAZZ: Big Band, GOSPEL: Contemporary Gospel Details: The music of Jazz I.N.C. defines high energy devotion to the gospel. Jazz I.N.C. takes the scripture admonition to "sing to the Lord a new song" seriously enough to use all the resources of a big band, and every style of jazz, in praise of the Lord. Their new CD, "Lead On," includes arrangements by leaders in the jazz gospel area like Chris McDonald and Ralph Carmichael, along with new arrangements from Neil Slater, Michael Brown, and Jazz I.N.C. itself. From the silky swing of Carmichael's "Peace In The Valley" to the raucous New Orleans style "Go Where I Send Thee," the music of Jazz I.N.C. proclaims that the Lord's song can be fun and sophisticated at the same time.
