Show all album songs: Wake On The Hudson Songs Details: "Wake on the Hudson" is the debut EP from New York-based songwriter Jo Williamson. It is a concept piece about beginnings. Produced by composer/multi-instrumentalist Brent Arnold, "Wake on the Hudson" layers elegant orchestrations with Williamson's vocals, allowing her voice to be the main instrument and primary storyteller. It also features the talents of guitarist Jim Campilongo, bassist Mat Fieldes, drummer Rich Levinson, horn player Ann Ellsworth, trumpeter Peter Evans, and clarinet player Matt Bauder.
