Details: Kawika Regidor, the gorgeous island boy from Maui, could go a long way on his hunky good looks. How refreshing to discover that hes a bona fide talent - a well rounded musician who plays guitar, ukulele and Polynesian drums, songwriter, Tahitian dancer, and singer - with a killer voice! Kawikas debut release, The First Time, garnered him a Na Hoku Hanohano Most Promising New Artist nomination. Paradise, his second release, 14 songs/12 originals, is contemporary island music at its best; familiar, yet fresh and new. Want You To Know is catchy and romantic and For Your Love has a soft, sweet skank. Take Your Clothes Off, a playful original featuring Hoku award winner O-shen, is good fun Jawaiian. Kawikas small town roots provided the inspiration for the upbeat, Poor Boy From Maui, and the sentimental Hamoa Bay. He returns to backyard kanikapila days with Na Ka Pueo. Kawikas voice and music will show you what Paradise is all about!
