a hard rock, post-modern sound collage 5 MP3 Songs ROCK: Hard Rock, POP: Power Pop Details: Lacquer believes in the power of an overblown half-stack. Bombastic rhythms and a thundering Rickenbacker combined with stories of rebellion and the surreal, urged on by our firebrand poet. With the inspiration of bands like the Cramps, Stooges, Runaways, X; Lacquer creates Rock-N-Roll with a sense of abandon. Listening to the Excitement of Helen, Mirrorshades spits out stark, brooding lyrics coupled with a five-finger sonic slap in the face. Lola is the best kind of bombshell unchained. Johnny Deep explores a sexy romp through Charlie's mind. IGUANA drives the idea of transforming your reality, while definitely being the most diverse on the EP. Untold's sliding riffs force this other women's strengths and woes past the edge of giving a fuck. Love, Lust, Loyalty Lacquer lacquerbadlands.com
