

Mp3 Larry "t-byrd" Gordon - Da Byrdman Cometh

[DOWNLOAD HERE](#)

BIG BIG SALE on this Grammy entry material CD. Pick up "real" music for your home, car and office. 10 MP3 Songs BLUES: Rhythm Blues, EASY LISTENING: Love Songs Details: "Da Byrdman Cometh" is different from any other music you've heard lately. It's a sultry blend of Easy Listening Jazz with a certain 'Ole School R&B flare, vocally and instrumentally. T-Byrd is one of the most accomplished and multi-talented musicians on the contemporary music scene today. His versatile vocal style encompasses all genres of music. He is a prolific songwriter, arranger, lyricist, composer, recording artist, producer and engineer. His material has been distributed in the United States, Japan, United Kingdom, Germany, France, Italy, and Spain. His main instrument is the saxophone but he is a multi-instrumentalist that possesses a Bachelor, Masters and Doctorate degrees in Music Education. Accompanied by his orchestra/show band, T-Byrd performs both nationally and abroad. For nine (9) consecutive years the highlight of his yearly performance schedule was the American in Monte Carlo Festival held in Monte Carlo.
