

Mp3 Lisa Bacon - Something Wonderful

[DOWNLOAD HERE](#)

Original songs composed and performed by Lisa and husband, Ron Bacon bring heart, soul and humor to the table - a spectrum of whimsy, blues and jazz with a touch of spirit to delight you. 9 MP3 Songs EASY LISTENING: Cabaret, BLUES: Blues Vocals Details: Lisa established herself as a singer when she was just five years old, taking first place on "Pie Plant Pete's Amateur Hour", broadcast from Higbee's Department Store in Cleveland Ohio. . . Only about ten thousand hours of practice later, she met husband, Ron, and they have been making music together ever since. The Bacons have performed in clubs and in concert all over Arizona and the Los Angeles area where they also owned and operated the world famous recording studio, "Skyline Recording" in Topanga Canyon. Emmy Award winner and ASCAP member, Ron, gained vast experience working with musicians on countless recording sessions and innumerable television productions. All of this has given him the opportunity to flourish as a composer, lyricist, arranger and performer. The Bacons have recorded 6 CDs. "Something Wonderful" is a collection of 9 original songs that will bring you pleasure over and over again.
