Additional vocals on "I've Got To Know" by Justin Sandlin, lifted from his original recording of the song (I simply can't sing like that!). Justin and Kris are unofficial members of the band by way of their contributions. You can hear other songs by Justin by visiting myspace.com/Justus - - let him know what you think of his music...I think he's a wonderful, talented songwriter. Mike has been recording music since 1984 in various forms, using a 4-track cassette recorder, then working up into the digital home studio world with the encouragement and guidance of his music pal Chris O'Connor, yet another insanely talented person whose contributions to this album are somewhat invisible. (choipaint.com) Kris has the gift of words, and is on the front edge of a possible side career as a lyricist. Mike is currently working on songs for the next album.
