Conjures up the feel good harmonies of Crosby, Stills, Nash and Young in their dynamic days, the drive of southern rock and weaves it all together to deliver original songs of hope and spirit that will linger through your day. 10 MP3 Songs COUNTRY: Country Rock, ROCK: Americana Details: One Kindred Soul will take you on a musical journey. Authentic vocal harmonies intertwined with acoustic guitar rhythms draw immediate comparisons to groups such as Crosby, Stills, Nash and Young or the Eagles, but a closer listen reveals a myriad of textures that take their songs to a new and refreshing level. Tim Mead and Paul Molkenbur, writers for One Kindred Soul, are cousins and have been playing music together for close to 30 years. Both have roots deep in rhythm and blues and their original compositions are a rich amalgamation of all the musical styles they have been exposed to over the years. In the fall of 2002, One Kindred Soul released their debut CD "Space Time," a musical tapestry of dynamic songs with positive lyrical content. "Only So Much Time" is a heartfelt song of life and living it to the fullest. "Beautiful Soul" and "Harmony Starts As One" speak of listening to your heart, while "Lady of the Light" delivers a powerful message of patriotic spirit.
