Traditional and original Celtic-Appalachian ballads, songs, and tunes with 5-string old-time banjo and piano. 22 MP3 Songs FOLK: Appalachian Folk, FOLK: Celtic Folk Show all album songs: 22 Trad. and Original Songs Details: Through the years, Rick has become known for his dedication to finding wonderful songs from diverse sources and bringing them together seamlessly to form a rich tapestry of varying moods, colors and textures in his live shows and his recordings. His material ranges from songs that are of another time to songs that speak of the idiosyncrasies and beauty of modern life, from the profound to the comical, and includes a sprinkling of his signature banjo instrumentals. "Here is a man with a voice that is warm enough to fry eggs on...And this great voice is backed by some consummate musicianship...nothing short of sublime." Dai Woosnam---Folk World (Germany), January, 2006 "...experience informs the authority of the performances." ---SingOut! Vol. 49 #3 Fall 2005 "...he breathes new life into six traditional tunes and songs ---Dirty Linen Magazine (#119, August/September, 2005) "The common factor is Rick's mellow, articulate voice which always holds your interest in the story he's telling." ---Living Tradition Magazine (September/October, 2005)
