At the core he is a storyteller, who mixes poignant and often nakedly honest lyrics, with infectious melodies and catchy hooks. 10 MP3 Songs FOLK: Folk Pop, POP: Folky Pop Details: The music is best described as rootsy folk rock with a pop edge. The first thing you'll notice is that Sebastian has both a distinct narrative style as well as a strong melodic sense. "Sometimes I tell a story, and sometimes the subject matter is more abstract, but I always try to give the listener something to think about with the lyrics." ***** "Some of his songs are phenomenal. I absolutely adore cut number four, "Dance with Me". It's a killer track." --Suzie Mudd, Music Monthly "Vegas Dream" reads like a short story. Two young lovers set out on Route 66 with nothing more than a scheme and a wish. A standout storyline with an Americana-centered melody that lingers." ---Maria Villafana, Washingtonpost.com "I think Sebastian has a good sense of melody and hook. He has somewhat of a no-nonsense blue collar style." --Stacey Board, The Muse's Muse "He is a fine guitarist and singer.....perhaps it's his charisma that makes you follow his voice from line to line until the very end." --Paula Phillips, The Chesapeake Music Guide "He's learned how to craft good solid American songs. He's also learned how to sell the material with his voice. It makes you want to listen to what he has to say. His take on things is usually refreshing." ---Ty Ford, Music Monthly Magazine
