experimental absurdist minimalistic amateurish avante dark kiddie sounding adult music with a mix of sincere and jokey lyrics, lots of pop, folk, jazz, hip hop, rock n roll, beat poetry, and more, varied yet cohesive, off the cuff, yet visionary. 13 MP3 Songs FOLK: Traditional Folk, ROCK: Noise Details: "TOUCHING THE HUM OF THE UNIVERSE. With simple sounds and thoughtful lyrics that reach for timelessness, its obvious that Scott Garriott has already managed to tap into the very hum of the universe. His music transports you back in time. He brings back the unique folksy sounds of underground radio stations of the late 1960s. Not only that, with lyrics that harkin the wisdom of the ages and music that combines 21st century minimalist trends with cool careening flashes of medieval troubadors, he delights your ears with harmonious cacophonous surprises. Guitars, harmonicas, corkscrews, flutes, cool humming, fugues, interjections of sliding whistles and poetic lyrics all combine to diffuse your spirit with an inner smile that will grow with the unfolding of each new bittersweet song." -Marcia Liss, a music fan from New York
