Queen of boogie woogie" palmer lives up to her name with an album full of bluesy, straight ahead boogie woogie and sleazy swing. 13 MP3 Songs BLUES: Piano Blues, BLUES: Jazzy Blues Details: Sue Palmer ended her long run with provocative blues singer Candye Kane, to burst onto the blues scene with her own recordings. "Boogie Woogie and Motel Swing" is her first album, establishing her as a major talent in her own right. After hitting every motel room in the world with Kane, she presents a collection of material based on those experiences. Motel swing, as a category of music, becomes alive as only the best of cocktail nation lounge music can. Palmer's boogie woogie swings with the best of them and this is a fine collection of the genre in its purest form.
