Sexy, sexy, and sexxy. Like a great 70's porn soundtrack with lyrics. You'll never think of a burrito the same way again. 6 MP3 Songs URBAN/R&B: Rhythm Blues, URBAN/R&B: Soul Details: The Honky Donkey showed up in Austin a few years back, decided to make a record, used a host of local musicians. and ended up with this e.p. He ever did 5 triumphant shows at Antone's, one of the finest clubs in the country. Accompanied by the Moo Goo Gai Band - 3 piece horn section, 4 piece rhythm section (love that Hammond organ), and fine lookin' backup singers that escorted him to from the stage. I don't know where his clothes came from. I am not sure that I want to know. For those interested in the gory details, it was recorded at The Slaughterhouse by Mark Addison (except for two bits: the 'Reprise' version of the title track was taped live off the air from the Dudley Bob morning show on KLBJ; and an acoustic guitar and vocal for 'Peaches' [arguably the best song on the disc] which were recorded in a Munich Hotel room. It had such charm character that they were used as the base for the song). Buy it. Turn on your love machine. You'll never think of Chinese food the same way, I promise. And yes, there are rumors of more music coming soon.
