"Americana roots music" blended and bended, flowin' and growin' into twelve very memorable, original songs for all ages and ages and ages ... 12 MP3 Songs ROCK: Americana, COUNTRY: Country Rock

Details: This CD is a blend of music styles; Rock&Roll-Country-Folk-Bluegrass-Blues. The layered freeflowin wave of sound from guitars, dobros, banjos, fiddles, mandolins, harmonicas, tamborines, and brushes along with some earcatching lyrics give these songs a "downhome goodtime laidback" feeling that you wont soon forget!!!! We are currently a studio band formed by Eric Cobb and a masked man better known as L Dorado. Eric met L Dorado and in 1999 they began recording some of Eric's songs. The first one they did was "Callin For Rain" and when they were done they knew they were on to something. As they did more songs a "clear smooth fluid kinda sound with an edge" evolved and The Liquid Cowboys were born!!! They both knew Hallowell, Maine area local musicians Stephan Jones and Paul D'Alessio and they agreed to play on some of the songs. Stephan Jones is an awesome guitarist, and he played electric guitar and bass on three songs. "Back To The Country", "Little Angel" and "Uncle Bill". He also played dobro on "Back To The Country". Paul D'Alessio is also an outstanding musician. He played some fine fiddle on four songs: "Hangin By A Thread", "Dynamite Joe", "Ice Storm Of 98" and "Time Stand Still". L Dorado played his heart out on all twelve songs playing all kinds of instruments and playing them amazingly well. He also did an excellent job with the engineering and mixing. The CD was recorded in L Dorado's home studio over the course of a years time. We had a blast !!! Eric wrote all the songs and sang them. He played some accoustic guitar, piano, harmonica, and did some percussion. Bruce Crothers, a friend of Erics, also added some tasty guitar to "Back To The Country" and "Old Times". The Liquid Cowboys are getting some radio play on local stations and the response has been encouraging from folks from all walks of life, and of all ages. " We have finished another CD called

"Upside Down" which is in limited distribution!!!!!!!
