

Retirement Migration: Paradoxes Of Ageing - Caroline Oliver

[DOWNLOAD HERE](#)

The book is the first ethnographic study of international retirement migration and offers a sometimes surprising picture of the potentials, seductions and limitations of the lifestyles. People envision retirement as freedom from responsibilities through shedding the restrictive shackles of their former selves in a time of life dedicated to fun, friendship, healthy activity and individual fulfillment. However, as Oliver documents, a number of contradictions underpin the pursuits of such a lifestyle. She shows how retirees must balance time-use to achieve both freedoms and busy social schedules -- their activities, their relationships, and their cultural identities - to balance both the security of nationality with the discovery of the new. Retirement Migration gives a critical insight into the new ways aging identities are experienced by a growing number of older people in Western societies today. Author: Oliver, Caroline Publisher: Routledge Illustration: N Language: ENG Title: Retirement Migration: Paradoxes of Ageing Pages: 00208 (Encrypted EPUB) / 00208 (Encrypted PDF) On Sale: 2007-10-16 SKU-13/ISBN: 9780415372718 Category: Social Science : Human Geography
