The thrilling sequel to Glass Souls! As events threaten to spin out of her control, Lady Cecilia uses her powers to conceal the secret that Dominic has discovered in his desperate quest to restore his beloved Michel to the immortal existence of the vampire Protectors. She deliberately alters their memories, hoping to tame them and keep her position as the eldest and most powerful vampire. Her actions, combined with Dominic's recklessness in abducting Michel and forcibly Transforming him into a vampire Protector, poison Dominic's chances for reconciling with the one who has been his soulmate and spouse in nearly every lifetime. And the people of the House of Rose, uncomfortably aware of Dominic's often bloody recent history, begin to question whether he is fit to continue serving them as Protector. Meanwhile, Michel, his ability to recall the memories of his past lives damaged by Cecilia's meddling, finds himself struggling to maintain his identity--and his sanity. Honoria, the identity from his immediate past life, is proving particularly troublesome. She wants her husband Dominic back, and isn't about to let a little thing like being male in this incarnation stop her. Can Michel prevail against the dangerous temptations offered to his own damaged soul by his past self? Author: August, Michaela Publisher: Awe-Struck E-Books, Inc.
